## ArtReach

An ArtReach party is a party that gives back. Your host wishes to help raise money for the charitable cause,

\_\_\_\_\_.

Under the direction of the talented ArtReach artists, you and the rest of the guests at the party will produce works of art that will be sold at an upcoming art exhibit in downtown Springfield; all proceeds from the art sales will directly benefit the charity mentioned above. We really hope you can come celebrate and create with us! A release form giving ArtReach permission to sell the work will be available to sign at the party. Thank you!
